

# Grace Roots Pathways to Wellness

## **Core Values:**

Core Values dictate what the organization does, why it does it, and how it is done.

Grace Roots Core Values are: Integrity, Empathy, Honesty, Transparency, Support, Mutual Respect, Client Success, and Satisfaction.

## **Vision Statement:**

To provide integrated services such as education, acupuncture, nutrition, mentoring, yoga and mindfulness, and physical exercise (based on the individual's needs) through direct service, inter-agency collaboration, networking, and an expedited referral process.

## **Mission Statement:**

To contribute to the health and safety of our community by returning opiate dependent citizens to healthy, productive lives through a continuum of services.
